

# Moneyfacts® Awards 2022

## PLANNING FOR BROKER, NETWORK AND CLUB ENTRIES

The entry process for several of the broker and network categories in the 2022 Moneyfacts Awards will open on Tuesday 4 January. To help you to be ready to make the most of the entry period, we have put together the following guide so that you can prepare yourselves ahead of time.

### What are the categories where entries are being accepted?

- Secured Loan Broker of the Year
- Mortgage Broker of the Year
- Personal Loan Broker of the Year
- Mortgage Club of the Year
- Mortgage Network of the Year

sponsored by  everydayloans

### What can we prepare ahead for our entry?

The entry forms cover the following sections, and you may find it helpful to gather the appropriate information in advance of the forms opening. At this stage we are NOT looking for testimonials to support your entry, this would be a further process after shortlists are announced.

- Summary of the organisation and main business focus (100 words or fewer)
- Evidence of how the organisation has used its skills and qualities to the benefit of clients
- Evidence of how the organisation provides innovative problem solving for the benefit of clients
- Evidence of the organisation's best professional practices and standards
- And finally, we will ask you to tell us why your organisation deserves to win, in 500 words or fewer.

### How will we access our entry links?

You can register with us now by emailing [events@moneyfacts.co.uk](mailto:events@moneyfacts.co.uk) and you will receive the relevant entry link or links when available on 4 January.

### What happens after we submit our entry/entries?

- Once the entry survey closes at midnight on Friday 11 February, the entries are collated and passed through to our editorial and research team.
- The evidence collected is used to create a shortlist for each category, which will be announced live online on Thursday 10 March 2022.
- Shortlisted organisations will be sent a finalist logo free of charge that day.
- Shortlisted organisations will also be sent a link to send contacts, to seek testimonials to support their nominations. These can be clients, partners or lenders. This survey closes Friday 8 April 2022.
- The winners will be announced at the annual awards ceremony on Tuesday 14 June 2022 at City Central at the HAC, London. [Booking is now available at reduced rates for brokers and networks.](#)
